# WELCOME

Since its 2018 inception, the RSVP Symposium (def: a conference on a specific subject) has become the ultimate global networking event in the world of luxury weddings & parties. Typically with over 40 different countries represented, there is no better way to grow your business, and personal network, than through meeting international peers alongside our inspiring speaker sessions.

Plus, being industry experts ourselves - we know how to throw a great party. Our evening events are known for the fabulous dress codes, iconic settings, and very late nights.

We look forward to seeing you in Mexico.

# MAYAKOBA

Mayakoba is a captivating resort development nestled along the stunning shores of the Riviera Maya on the Caribbean coast of Mexico. Spread across 620 acres of lush tropical landscape, Mayakoba offers a harmonious blend of luxury, nature, and sustainable living.

The area is renowned for its pristine beaches, crystal-clear turquoise waters, and vibrant coral reefs teeming with marine life.

# EPIC EVENINGS

Our daytime speaker sessions are designed to help our attendees learn valuable business development skills and challenge the way we think in our industry, we know how important networking is to drive success.

Our evening events are designed to allow you to be the guest at a party without the stress of organising it, whilst offering valuable, informal opportunities to create strong relationships with attendees,

We like to let our hair down and embrace the fun soul of our industry. Be it an utterly Grand Bizarre evening in a boat-access mansion, a Marie Antoinette punk soirée or garish 1970's après ski, we party like no one else.

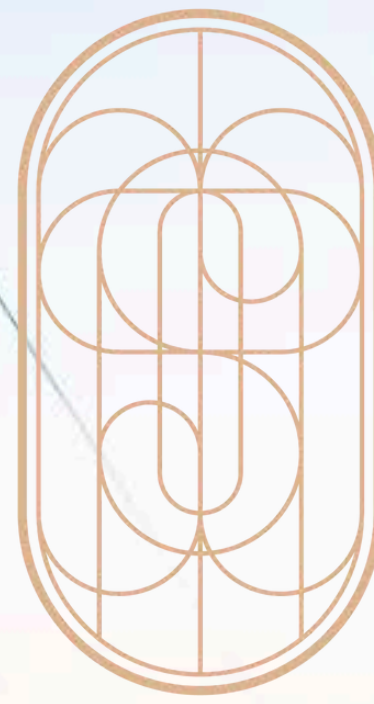

"WE LOVED THE RELATIONSHIPS THAT WE MADE, WE LOVED GETTING INSPIRED IN SO MANY DIFFERENT WAYS THROUGH THE SPEAKERS, AND OBVIOUSLY, WE HAD SO MUCH FUN AT THE PARTIES."
